Ysgolion Coed a Thraeth

Rhagleni argymhellol o isafswm o 6 wythnos wedi'i gynllunio i adeiladu hunan-barch, ysbryd cyd-dynnu a chyfaddawdu. Dysgu hunan-yrrol ar gyflymdra personol.

Adborth Cyfranogwyr

Mae'n staff uchelgymwysedig a phrofiadol wedi helpu pobl i ennill dros 250 o gymwysterau

“Rwyf wedi dysgu fod mwy i fywyd na gemau cyfrifiadur”

“Rwyf wedi dysgu llawer o bethau nad oeddwn yn gwybod o'r blaen a sut i wneud planwyr a thyfu planhigion”

“Rwyf eisiau dysgu mwy am flodau a'r broses tyfu.”

“Gwneud mwy o sesiynau fel ein bod nî'n gallu gwneud mwy o bethau”

“Roeddwn i'n meddwl bysa fo'n ddwl ond doedd o ddim”

“Rwyf wedi dysgu am arddio, offer ac offer llaw, STEPH ac iechyd a diogelwch”

Mae o i gyd yn y rhifau!

- **100%** wedi cynyddu eu sgiliau
- **100%** wedi mwynhau'r rhaglen
- **100%** wedi dysgu rhywbeth newydd
- **100%** yn mynd i wneud pethau'n wahanol
- **100%** wedi dweud fod y cyrsiau'n hwyl
- **92%** wedi dweud fod y cyrsiau'n ddiddorol
 - **82%** wedi helpu eu teuluoedd
 - **73%** wedi gwella bywyd y teulu
- **85%** o blant o dan 16 eisiau mynd i'r brif ysol mwy/llawer mwy
- **61%** o blant o dan 16 wedi eu hysbrydoli i weithio'n galetach yn yr ysgol J

3 Hoff beth: “Bod gydag Elfennau Gwyllt, bod yn y coed; tro yn y llyfrgelloedd (Prifysgol Bangor a Llyfrgell Gladstone)”

100% o bobl dros 16 wedi gwella eu budd

100% o bobl dros 16 wedi cynyddu eu hyder

100% o bobl dros 16 wedi gwella eu siawns o gael gwaith

“Dwi'n meddwl fod pob dim yn dda. Wedi dysgu sut i lifio pren.”

Wild Elements Activities

Overview

People learn without knowing it with our hands-on, practical, fun activities designed to increase self-esteem, build practical skills, encourage problem-solving and critical thinking, and improve soft skills, such as confidence, communication and teamworking. Fun ways to re-engage with learning tweaked to suit audience age, abilities and interests

"Nice staff/great random activities"

Nature Connections

Wildlife rambles, species monitoring/ recording, transects, forest exploration, birdwatching, learning animal behaviours, pond dipping, bug hunting, species ID, conservation, examining habitats

Joinery

Bird boxes, benches, planters of all sizes, picnic tables, gazebos, mud kitchens!

Day Programmes – Science, Engineering, Chemistry, Physics, Ecology and Environment

Each programme is a stand-alone provision and complements the school curriculum. Participants immerse themselves in the subject topic through a variety of exercises, experiments, hypotheses, observations, games and activities.

Taste of University

Bangor University's Treborth Botanical Garden: Botany, microscopes, hot houses, tropical plants, underground viewing chamber, labs, specimens, rare species and carnivorous plants!

Bangor University Library and Archives (AKA Harry Potter Library!): Library tour, ancient texts, talk from Library staff, rare books, introduction to archives and library technologies

Bangor University Brambell Natural History Museum: Rare birds, megalodon teeth, stuffed penguins, duck-billed platypus, sharks, animal skeletons and a two-headed lamb!

Teambuilding

Humpty Dumpty Egg Obstacle Participants work together against the clock to get an egg through an obstacle course

Egg Relay Race Teams race against each other to complete the obstacle course with the eggs intact

Egg Parachutes Teams build parachutes with various materials

Splat! Building catapults, catapulting tomatoes, rotten veg, eggs and measuring the splat! Physics and engineering disguised as fun

Pass the Onion, Blindfold Alley and several more!

Bushcraft

Fire-lighting, foraging, whittling, carving, outdoor cooking, den building, outdoor survival skills, archery

"Wild Elements have provided me with an outlet for my creativity as well as educated me with some cool activities"

Gardening/Horticulture

Planting, tending, weeding, sowing, growing and eating!

Arts, Crafts and Miscellaneous

Arts, beach arts, metalwork, jewellery, crafts, upcycling, photography

Forest and Beach Schools

Recommended 6 week minimum programmes designed to build self-esteem, personal confidence, personal and team decision-making, team ethic and compromise. Self-driven learning at a personal pace

Participant Feedback

Our highly qualified and experienced staff have helped people obtain over 250 qualifications

"I have learnt that life is more than just computer games"

"I have learned a lot of things that I didn't know before and how to make planters and grow plants"

"I want to learn more about flowers and the process of them growing etc."

"Make more sessions so we can do more things"

"I thought it would be boring but it wasn't"

"I have learnt about gardening, I learnt about equipment and tools and STEPH and health and safety"

It's all in the numbers!

- **100%** increased their skills
- **100%** enjoyed the programme
- **100%** learned something new
- **100%** will do things differently
- **92%** said the courses were fun
- **92%** said the courses were interesting
- **82%** helped their family
- **73%** improved family life
- **85%** of under 16s want to go to university more/much more
- **61%** of under 16s inspired to work harder in school 😊

3 Favourite things: "Being with Wild Elements, Being in the woods; library tours (Bangor University and Gladstone's Library)"

"I think everything was good. Learnt how to saw wood"

100% of over 16s improved their well being

100% of over 16s improved their confidence

100% of over 16s increased their job prospects
